EXPLANATORY NOTE

The limitations of "Cleared Otherwise" are indicated by the following examples:-

1. The offender has died.
2. The offender has been committed to a mental hospital and it is unlikely he will be released.
3. A person confesses to a crime and subsequently dies.
4. The offender is a juvenile and has not been charged but has been given an informal hearing in juvenile court, or handed over to his parents or guardian, a social agency or a department concerned.
5. The offender is identified but there is a definite obstacle, e.g., diplomatic immunity.
6. The complainant or essential witness is dead and proceedings cannot be instituted.
7. The offender is known and sufficient evidence has been obtained but the complainant refuses to prosecute - this does not "unfound" the offence.
8. The offender is serving a sentence and no useful purpose would be served by laying an information.
9. The offender is in a foreign country and cannot be returned (or the violation is under a Provincial Statute or Municipal By-law and subject is in another Province).
10. The offender has committed more than one offence and it has been decided to charge him with one of the most serious because no useful purpose would be served by proceeding with the other charges.
